

You need to refresh yourself about Check 21. Say, didn't you read about Check 21 in the October newsletter? Where did you put it? If you had one of these binders, you'd have your hands on it instantly

Ever have a bad case of "where did I file that 'I've got to hang onto this issue' of the newsletter syndrome"?

We've all spent hours rifling through our files for a clipping, article, or other bit of printed matter that has suddenly become very important to find . . . and suddenly impossible to locate!

Now, you can have a place to keep all your back issues of *Bank Directors Briefing*, plus other documents related to your board duties, all in one place. These gold-stamped leatherette binders are a great place to keep your issues and a way to spot them at a glance on your desk or on your bookshelf.
